Common Worship Version

2015 ANiC Calendar – Common Worship

Introduction

Welcome to the Anglican Network in Canada *Calendar of the Church Year – Common Worship Version*. We hope you find this useful both for parish use and in your personal life. Below is a brief explanation to assist you in understanding the typography of the calendar and its significance.

This calendar reflects the pattern of the church year set out by the Church of England in its Common Worship Liturgical Calendar.¹ It also coordinates with the Lectionary published on their website.² Holidays commonly observed in Canada and the United States have been added along with other events observed within the Anglican Church in North America and the Christian church at large.

Holy Days

Common Worship uses 5 categories of holy days in its calendar of the Christian Year:

- Principal Feasts – These are printed in **bold red type** in this calendar.
- Principal Holy Days – These also are printed in **bold red type**.
- Festivals – These are printed in **normal red type**.
- Lesser Festivals – These are printed in normal black type.
- Commemoration – These are printed in *italic black type*.

For a more extensive explanation of the Calendar rules [click here](#) or go to, <http://goo.gl/w9vm6q>.

In addition to these holy days, common civic/secular holidays and non-liturgical events have been added in *grey italic type*.

Liturgical Colours

Appropriate liturgical colours are indicated in the right-hand column. They are not mandatory; traditional or local use may be followed.

The colour for the season or Festival is shown beginning with a capital letter. If there is an optional celebration (e.g. a Lesser Festival), the appropriate colour is shown alongside it beginning with a lowercase letter.
